

Daesung Kim

University of Illinois at Urbana–Champaign
Department of Mathematics
1409 W Green St
Urbana, IL 61801

Office: 247B Illini Hall
Email: daesungk@illinois.edu
Homepage: <https://daesungk.github.io>

Employment

J. L. Doob Research Assistant Professor, University of Illinois at Urbana–Champaign, August 2019–Present

Education

Ph.D. Mathematics, Purdue University (Advisor: Prof. Rodrigo Bañuelos), August 2019.

M.A. Mathematics, Seoul National University (Advisor: Prof. Panki Kim), August 2013.

B.S. Mathematics & B.A. Economics, Seoul National University, August 2011.

Research Interests

Functional and geometric inequalities; Study of sharp and quantitative inequalities; Optimal transportation

Singular integrals and Fourier multipliers; Extremal problems for nonlocal operators; Discrete versions of singular integral operators

Stein’s method and Markov mixing time

Stochastic analysis and Lévy processes

Papers

1. *Martingale transforms and the Hardy–Littlewood–Sobolev inequality for semigroups*, **Potential Anal.** **45** (2016), no. 4, 795–807. MR 3558361
2. (with Rodrigo Bañuelos) *Hardy–Stein identity for non-symmetric Lévy processes and Fourier multipliers*, **J. Math. Anal. Appl.** **480** (2019), no. 1, 123383.
3. (with Emanuel Indrei) *Deficit estimates for the logarithmic Sobolev inequality*, **submitted**, arXiv:1805.06107 (2018)
4. *Instability results for the logarithmic Sobolev inequality and its application to the Beckner–Hirschman inequality*, **submitted**, arXiv:1805.06272 (2018)
5. *Quantitative inequalities for the expected lifetime of the Brownian motion*, **To appear Michigan Math. J.**, arXiv:1904.09565 (2018)

Talks

Minisymposium at International Conference on Elliptic and Parabolic Problems, Gaeta, Italy, May 2019

AMS sectional meeting Special session on Stochastic processes, Hartford, April 2019

Probability seminar, University of Illinois at Urbana–Champaign, April 2019

Probability seminar, Purdue University, February 2019

Probability seminar, Seoul National University, March 2018

Probability seminar, Purdue University, September 2017

Probability seminar, University of Illinois at Urbana–Champaign, March 2017

Probability seminar, Purdue University, February 2016

Conferences

Northeast Probability Seminar, CUNY, November 2019 (short talk session)

Functional inequalities in Probability, University of Connecticut, November 2018 (short talk session)

The 82nd Midwest PDE Seminar, Purdue University, October 2018

Recent Trends in Continuous and Discrete Probability, Georgia Institute of Technology, June 2018 (short talk session)

Seminar on Stochastic Processes, Brown University, May 2018

Summer School in Probability, Northwestern University, July 2016

3rd Conference on Nonlocal Operators and Partial Differential Equations, Bedlewo, Poland, June 2016

Conference on New Developments in Probability, Northwestern University, May 2016

Seminar on Stochastic processes, University of Maryland, March 2016 (short talk session)

Northeast Probability Seminar, New York University, November 2015 (short talk session)

37th Midwest Probability Colloquium, Northwestern University, October 2015

Conference in Stochastic Analysis and Related Topics, Purdue University, May 2015

Seymour Sherman Lecture and Conference, Indiana University, May 2015

10th Cornell Probability Summer School, Cornell University, July 2014

Seminar on Stochastic Processes, University of California at San Diego, March 2014

35th Midwest Probability Colloquium, Northwestern University, October 2013

Grants

Graduate Student International Travel Grant, Purdue University, 2019

Purdue University Graduate School Summer Research Grant, 2015–2018

BK21 Grant, National Research Foundation of Korea, 2011–2012

National Science Scholarship, Korean Student Aid Foundation, 2006–2011
